DECISION OF THE BOARD

Environmental Design Review Docket #3637
476 Massachusetts Avenue, Arlington, MA 02476

October 19, 2020

This Decision applies to the Environmental Design Review Special Permit application by Chad Cohen, Marco Realty Group, 89 Winchester Street, Brookline, MA to approve signage located at 476 Massachusetts Avenue within the B5 Central Business District. The Board approved signage in accordance with the provisions of MGL Chapter 40A § 11 and the Town of Arlington Zoning Bylaw Section 3.4, Environmental Design Review, and under Section 6.2 Signs. A public hearing was held on October 19, 2020. The ARB voted (5-0) to approve Docket #3637 on October 19, 2020.

Materials reviewed for this Decision:

- Application for EDR Special Permit
- Base Building Improvements Permit set, dated December 16, 2019
- LEED Checklist, dated September 21, 2020

The following criteria have been met, per Section 3.3.3, Arlington Zoning Bylaw:

1. The commercial use is allowed in the B-5 Central Business Zoning District.
2. The location of this storefront is located in the Arlington Center Business District. It is essential and desirable to improve the condition of the façade to identify a tenant.
3. The location of this storefront is located in the Arlington Center Business District. It is essential and desirable to improve the condition of the façade to identify a tenant.
4. There will not be an impact on public utilities.
5. No special regulations are applicable.
6. The use does not impair the integrity or character of the neighborhood.
7. The use will not be in excess or detrimental to the character of the neighborhood.

The following criteria have been met, per Section 3.4.4, Arlington Zoning Bylaw:

1. EDR-1 Preservation of Landscape

There are no changes that will impact any natural landscape.

2. EDR-2 Relation of the Building to the Environment

The façade improvements are consistent with the scale and architecture of the overall building.

3. EDR-3 Open Space

There are no changes to open space.

4. EDR-4 Circulation

The existing circulation will not change.

5. EDR-5 Surface Water Drainage
